MESSAGE

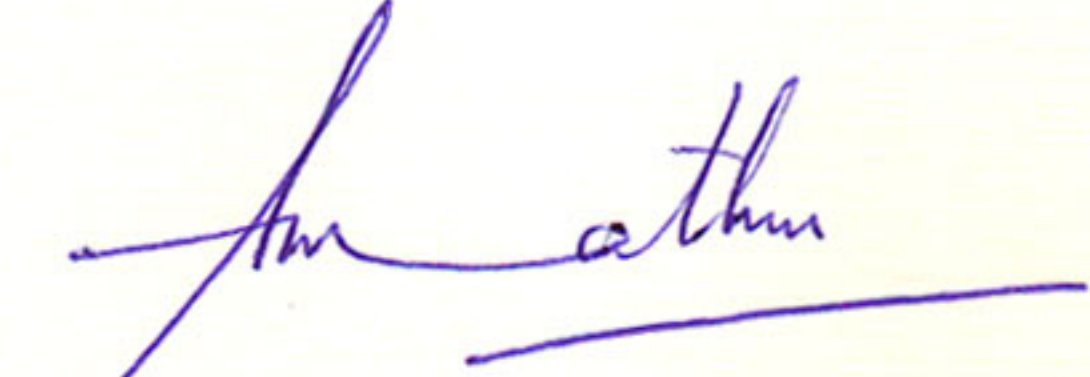

20th January, 2011

Dear Candidate,

As you approach the examination date, I wish you all the best in this endeavour and hope that you complete it with flying colours.

We hope that you have found the preparation for this examination to be interesting and enlightening, and hopefully challenging as well. I look forward to your full-hearted engagement with all the three/four papers, and would like to encourage you, over the time left before the exam, to de-stress yourself and approach the exam with preparation and a calm mind.

With all best wishes.

(Ajay Mathur)
